### DEPARTMENT VISION

- To Provide Academic and Technical Excellence to all Classes of Society for Sustainable and Socio-Economic Development.

### DEPARTMENT MISSION

- Equip graduates to apply management principles to solve real-world challenges with creativity and innovation.
- Develop leaders who excel in diverse teams, value Indian ethos, and uphold ethical decision-making.
- Prepare graduates for successful careers in corporate, public policy, non-profits, and entrepreneurship, with a focus on lifelong learning, innovation, and social responsibility.

### *"Industrial Exposure"*

#### *Lucy Switchgear Electric India Ltd*

The Department of Management Studies, successfully organized an Industrial Visit for MBA-I and MBA-II students on 1st April 2026 at Lucy Electric India Ltd., Ambad MIDC, Nashik.

The visit was conducted under the guidance of Dr. Sarika Patil (HOD), along with faculty members Prof. R. G. Thorat, Dr. S. M. Shete, and Prof. V. K. Jadhav. The primary objective of the visit was to provide students with practical exposure to industrial operations and bridge the gap between theoretical knowledge and real-world applications.

During the visit, students observed live switchgear manufacturing processes, gaining valuable insights into production techniques, quality control measures, and safety standards followed in the industry. They also developed an understanding of modern industrial practices, workflow management, and operational efficiency, which are essential for effective management in industrial settings.

### INSTITUTE VISION

- To Provide Academic and Technical Excellence to all Classes of Society for Sustainable and Socio-Economic Development.

### INSTITUTE MISSION

- To develop and maintain state-of-the-art infrastructure and modern facilities that foster a productive, inclusive, and stress-free learning environment.
- To promote skill development, capacity building and research attitude through innovative training programs for students and faculty, enhancing their competencies and employability.
- To engage in strategic community outreach and extension activities for sustainable development and socio-economic upliftment.

The visit also included an interactive session with industry experts, where students were guided on career opportunities, required skill sets, and current industry expectations. This interaction helped students gain clarity about professional requirements and prepare themselves for future career challenges.

Students actively participated throughout the visit, asking questions and engaging with professionals to deepen their understanding. The exposure to real-time industrial processes enhanced their analytical thinking, observation skills, and practical knowledge.

Overall, the industrial visit proved to be highly informative and enriching. It provided students with valuable industry insights, boosted their confidence, and motivated them to align their academic learning with practical applications.

Such initiatives play a significant role in shaping industry-ready professionals by offering experiential learning opportunities. The Department of Management Studies continues to organize similar activities to ensure the holistic development of students.

### *Inauguration of Management Wall* **"VISION TO VENTURE"**

K.V.N. LoGMIEER, Nashik, under the Department of Management Studies, proudly organized a Management Wall Activity based on the theme "CSR Connect." The activity was conducted with the objective of creating awareness among students about the importance of Corporate Social Responsibility (CSR) in the modern business environment.

The initiative served as a dynamic and creative platform for MBA students to present their knowledge, ideas, and research related to CSR practices followed by various organizations. It aimed to help students understand how businesses today are expected not only to generate profits but also to contribute positively to society and the environment. As part of the activity, students prepared informative displays using charts, posters, infographics, case studies, and visual presentations.

- To promote skill development, capacity building and research attitude through innovative training programs for students and faculty, enhancing their competencies and employability.
- To engage in strategic community outreach and extension activities for sustainable development and socio-economic upliftment.

The activity also helped participants enhance their research abilities, communication skills, teamwork, creativity, and presentation techniques. It provided them with an opportunity to connect classroom concepts with real-world business practices and understand the practical relevance of CSR in management education.

Overall, “Management Wall – CSR Connect” proved to be a meaningful, informative, and inspiring initiative. It successfully bridged the gap between theoretical learning and practical application while motivating students to become socially responsible and ethically aware future managers.

The Department of Management Studies continues to organize such innovative activities to ensure the holistic development of students and prepare them for leadership roles in the corporate world.

### *"Parents & Mentors Meet"*

The Department of Management Studies, LoGMIEER, successfully organized the Parent-Teacher Meet 2026 with the objective of fostering meaningful interaction between parents, faculty members, and students. The programme was designed to strengthen communication and collaboration for the academic growth and overall development of students.

The Parent-Teacher Meet served as an important platform where parents could directly interact with faculty members regarding their ward's academic progress, attendance, discipline, performance, and future goals. Such meetings play a significant role in building a strong support system for students by creating a healthy connection between home and institution. During the session, faculty members discussed students' strengths, areas of improvement, and the importance of continuous learning, participation, and professional skill development. Parents were also encouraged to motivate students to maintain consistency in studies, participate in co-curricular activities, and focus on personality development along with academics.

- To engage in strategic community outreach and extension activities for sustainable development and socio-economic upliftment.

A special highlight of the event was the felicitation of toppers from the 1st Semester (December 2025) SPPU University Examination. The meritorious students were recognized and appreciated for their dedication, hard work, and outstanding academic achievements. Their success inspired other students to strive for excellence in their studies and future careers. The programme was graced by the esteemed presence of K. V. Chandratre, whose motivating words encouraged students and parents to work together towards academic excellence. The event was conducted under the guidance of Dr. Sarika Patil, Head of Department, whose leadership and valuable insights made the programme successful and impactful. Parents appreciated the initiative and expressed satisfaction regarding the academic environment and support provided by the department. The positive interaction created trust, transparency, and stronger relationships among all stakeholders. Overall, the Parent-Teacher Meet 2026 was a successful, informative, and inspiring event. It reflected the institution's commitment to nurturing academic success, value-based learning, and holistic student development through active parent-faculty collaboration.

### *"3 Days NISM Workshop"*

The Department of Management Studies, LoGMIEER, successfully organized a 3-Day Workshop on NISM VA Mutual Fund Advisor Exam Preparation from 16th to 18th April 2026 for management students. The workshop aimed to prepare students for the NISM certification examination and enhance their knowledge of mutual funds, capital markets, and finance-related career opportunities.

The programme was conducted under the guidance of Dr. K. V. Chandratre (Principal) and Dr. Sarika Patil (HOD). The sessions were led by Hitesh Panchal, an Investment Expert and Research Analyst from Mumbai, who shared valuable industry insights and practical knowledge. The workshop focused on the syllabus of the NISM VA Mutual Fund Advisor Examination and covered important topics such as mutual fund concepts, different investment schemes, financial planning, risk management, investor awareness, and the functioning of capital markets. Students gained a clear understanding of how mutual funds operate and their importance in wealth creation.

- To promote skill development, capacity building and research attitude through innovative training programs for students and faculty, enhancing their competencies and employability.
- To engage in strategic community outreach and extension activities for sustainable development and socio-economic upliftment.

The expert also explained various investment strategies, portfolio diversification, and the significance of informed financial decision-making. Real-life examples and case studies were used to make the sessions practical and easy to understand. The workshop was interactive, with students actively participating in discussions, asking questions, and solving practice-based exercises. Mock tests and exam preparation guidance were also provided, helping students build confidence for the certification exam. A major highlight of the programme was the discussion on career opportunities in Finance, including roles in investment banking, mutual funds, insurance, wealth management, and financial advisory services. Students learned how professional certifications can improve employability and career growth. Overall, the workshop was informative, practical, and highly beneficial. It enhanced students' financial knowledge, certification readiness, and confidence to build successful careers in the finance sector. The Department of Management Studies continues to organize such programmes for students' skill development and professional growth.
