### Report of the Event:

National Youth Day, celebrated every year on January 12th, marks the birth anniversary of Swami Vivekananda, a prominent philosopher and spiritual leader whose teachings inspire the youth of India to pursue excellence, self-reliance, and contribute to societal development. The Department of Management Studies (MBA) organized a day-long celebration to honor this occasion and encourage students to reflect on Swami Vivekananda's vision for youth empowerment. Faculty and students paid their respects to Swami Vivekananda by placing flowers in front of his portrait as a token of gratitude, while performing a pooja to honour his teachings and contributions. Further The Head of the Department, Dr. Sarika Patil , delivered a welcome address, emphasizing the significance of National Youth Day in inspiring future leaders.

The celebration of National Youth Day was a resounding success, fostering a sense of pride, responsibility, and inspiration among the MBA students. The event reinforced the importance of holistic development—academic, personal, and social—and underscored the vital role youth play in shaping the future. The Department of Management Studies will continue to integrate these values into its curriculum and extracurricular activities, ensuring that students are well-equipped to lead and innovate in the business world.
