**Coordinator:**

1.) Dr.Samruddhi Shete .

**Objective:**

- To encourage students to critically analyze and discuss the relevance and applicability of IKS concepts in the contemporary business world.
- To encourage students to explore innovative solutions to business challenges by drawing inspiration from IKS principles.
- To Promote Cultural Awareness
- Introduce key components of IKS, such as Philosophy and Spirituality Science and Technology Arts and Culture

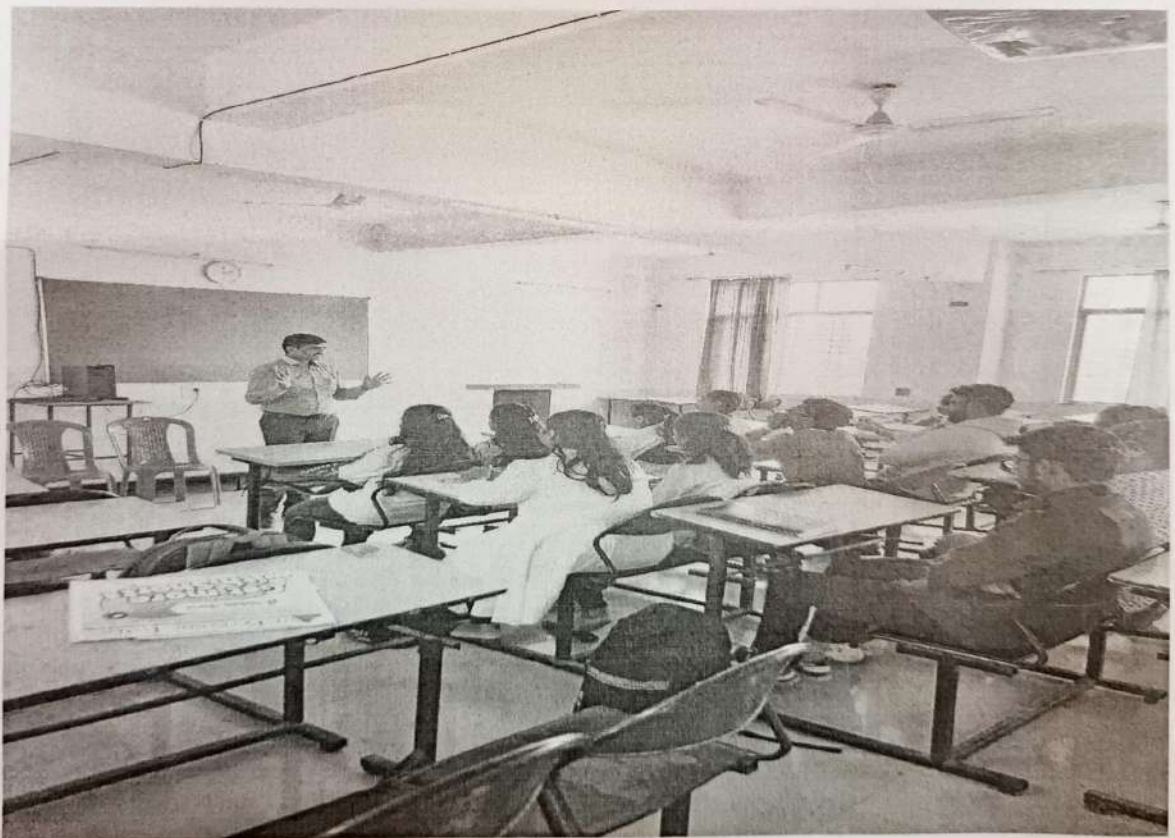

**About The Program:**

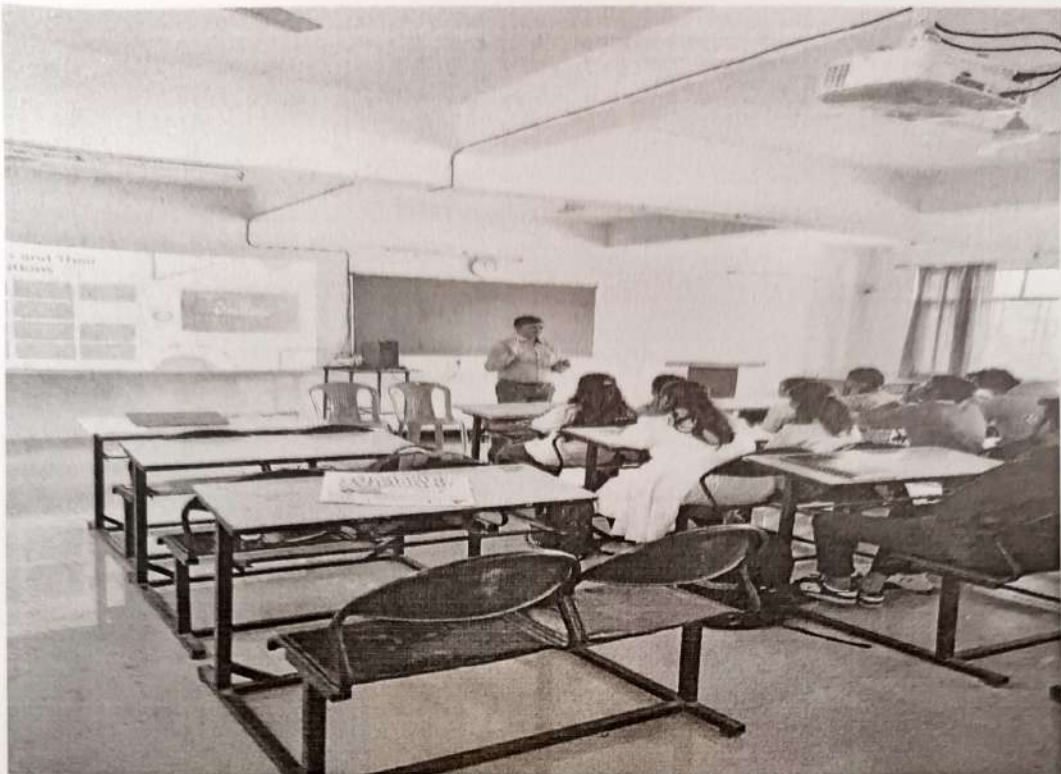

Department of Management Studies organizes the expert session on "Indian Knowledge System" for MBA 1st Year Students on 25<sup>th</sup> nov 2024, **to introduce students about the ancient Indian knowledge systems:** This could include exploring concepts from various fields like philosophy, mathematics, medicine, and management. **Highlight the relevance of these systems in modern business:** The session may have explored how principles like ethical leadership, sustainable practices, and holistic thinking, rooted in Indian knowledge systems, can be applied in contemporary business scenarios.

### Outcome:

- **Understanding of Indian Heritage:** Students gain a deeper understanding and appreciation for India's rich and ancient knowledge systems
- Helps students integrate traditional wisdom with modern management practices for a more holistic approach to business
- **Developing Ethical Leaders:** Fosters the development of ethical leaders who prioritize values like integrity, compassion, and social impact.
