Report of the Event:

KVN Naik SPS's Loknete Gopinathji Munde Institute of Engineering Education & Research, Nashik, The Department of Management Studies,

Organized a Hands-on Power BI Workshop for students to enhance their knowledge of Data Analytics and Business Intelligence.

The workshop was conducted from 12th March to 14th March 2026, from 1:00 PM to 5:00 PM. The session was conducted by the resource person, Mr. Sunil Joshi, who explained the concepts and practical applications of Microsoft Power BI.

During the workshop, students learned how to import data, create reports, design dashboards, and analyze data using various visualization techniques in Power BI. The resource person also

assigned practical tasks to the students, which they actively worked on and successfully completed during the sessions.

The workshop was interactive and informative and provided students with practical exposure to modern data analysis tools.

Overall, the workshop was successful and beneficial for all the participants.
