About The Program (Session):

The Department of Management Studies successfully organized an insightful guest lecture on the topic “**Employability Skills**” for the students of MBA Part I on 25th March 2026 at 11:00Am. The session was conducted with the objective of equipping students with essential competencies required to enhance their professional readiness and align their capabilities with contemporary industry expectations.

The distinguished resource person for the session was **Santosh Kale**, Operations Global Head at **Lucy Electric India**. With his extensive corporate experience and global exposure, he brought valuable perspectives on the evolving demands of the professional world.

The session commenced with a formal welcome by HOD Dr.Sarika Patil, wherein the significance of employability skills in today's competitive environment was highlighted. Mr. Kale initiated the lecture by emphasizing the gap between academic knowledge and industry requirements, stressing the need for students to develop a holistic skill set beyond theoretical learning.

Throughout the lecture, he elaborated on key employability skills such as effective communication, critical thinking, problem-solving abilities, adaptability, teamwork, and professional ethics. He also underscored the importance of continuous learning and self-development in sustaining long-term career growth. Real-world examples and practical insights shared by the speaker enabled students to understand how these skills are applied in dynamic organizational settings.

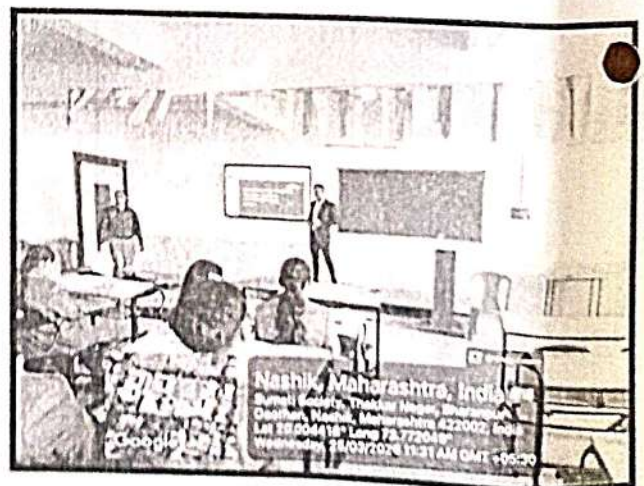

A significant part of the session focused on enhancing students' confidence and interpersonal abilities. Mr. Kale encouraged students to actively participate in activities such as group discussions, presentations, and internships to gain practical exposure. He also provided guidance on building a strong professional profile, including resume writing, interview preparation, and networking strategies.

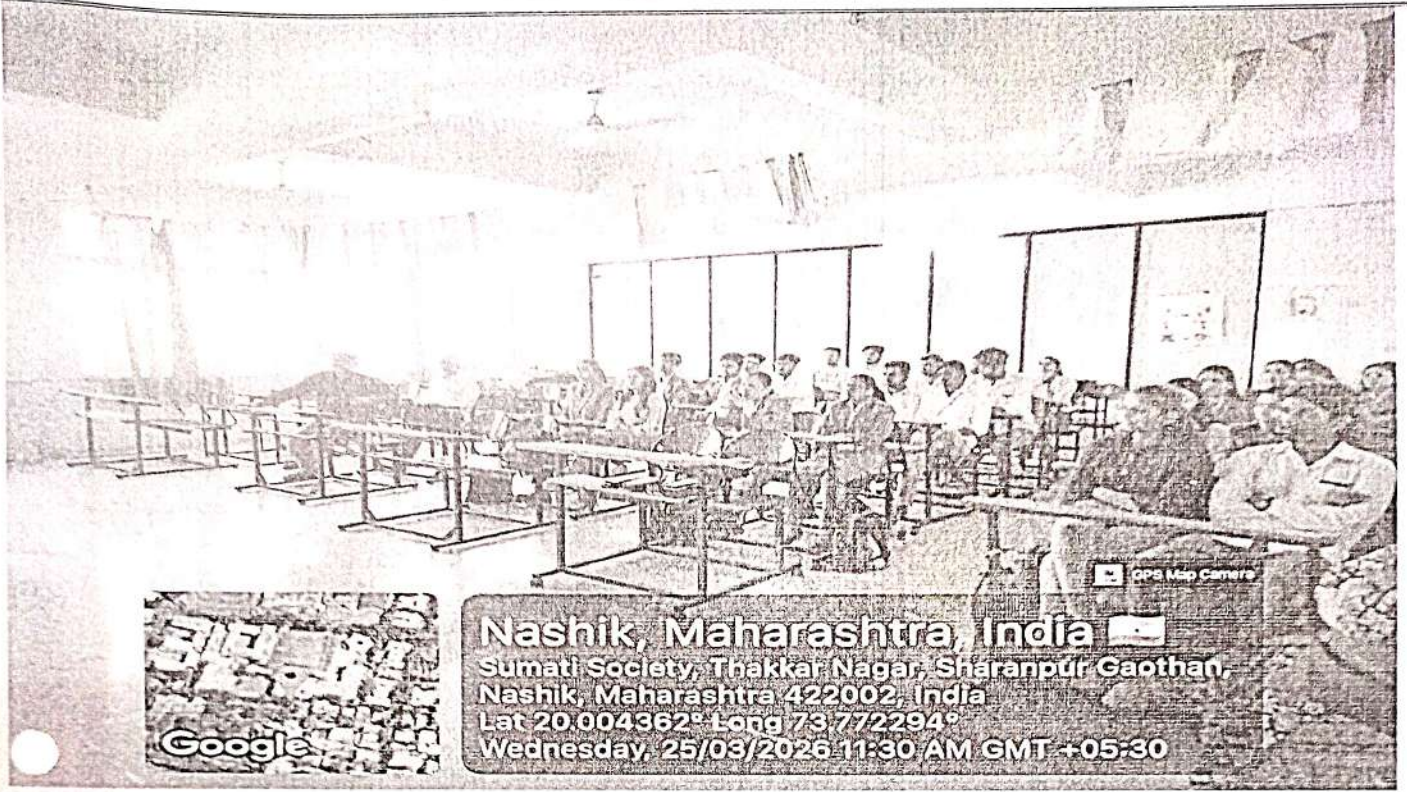

The lecture was highly interactive, with students engaging in meaningful discussions and seeking clarifications on various career-related aspects. The speaker addressed queries with clarity and offered valuable suggestions tailored to the students' academic and career aspirations.

The session concluded with a vote of thanks, expressing sincere gratitude to the resource person for sharing his expertise and enriching the students with practical knowledge. The guest lecture proved to be highly beneficial, enhancing students' awareness of industry expectations and motivating them to develop essential employability skills for their future careers.

Overall, the event was a remarkable success and contributed significantly to the professional development of MBA students.
